

Your doctor has prescribed **KHINDIVI™ (hydrocortisone) 1 mg/mL oral solution** — here's what happens next:

You have been automatically enrolled in **Eton Cares**, a full-service patient support program

The prescription has been sent directly to Anovo® Specialty Pharmacy, which will help your doctor's office in their efforts to verify and obtain insurance coverage*

**Within
the next
3 days...**

A nurse ambassador will call before the medication ships to help you get started. All calls from Anovo will come from this number:

1-833-343-2500

An Anovo pharmacist will also call to explain how the medicine works and arrange delivery. The pharmacist will reach out monthly after that to answer any of your questions about the medication.

*Insurance coverage is not guaranteed and depends upon the patient's individual circumstances. The patient is responsible for payment of insurance coverage and any medication copays. Please see additional information on the back of this piece.

Medication may arrive in as soon as 24 hours†

Four days after the medicine is shipped, and again a week later, a nurse ambassador will call to see if you have any additional questions.

The nurse ambassador will continue to stay in touch after that, and you can always call

 **1-833-343-2500**

(M-F, 8 AM-5 PM CT)

†For new enrollees with private insurance who are experiencing an acute significant health event as documented by their physician, medication may be delivered in as soon as 24 hours. Typical delivery is 3 to 7 days.

\$0 copay‡

‡Commercially eligible patients can pay as little as \$0 per month. Restrictions, limitations, and/or eligibility requirements may apply.
